Defendants.)	

ORDER ON MOTION

On 27 July 2005, the court entered Final Judgment in favor of the defendants and against the plaintiff and dismissed the plaintiff's claims (Doc. # 6-1). All motions were thereafter terminated. The plaintiff filed a motion to amend his complaint on 26 August 2005 (Doc. # 7). The amendment is clearly untimely, but as well, the text of the motion reflects the plaintiff's insistence upon asserting claims under 42 U.S.C. § 1983 against a state probate judge, a state circuit judge and a private attorney for constitutional deprivations.

Because it is untimely, and for the reasons clearly articulated in the Recommendation entered on 22 June 2005 (Doc. # 4) and adopted by this court (Doc. # 6-1), it is

ORDERED that the motion is DENIED.

DONE this 31st day of August, 2005.
